

IFOAM EU: ONE VOICE FOR THE ORGANIC MOVEMENT

IFOAM EU is the European umbrella organisation for organic food and farming, officially recognised by the European institutions. As regional body of IFOAM – Organics International, we represent the entire organic food chain and beyond: farmers, processors & traders, retailers, certifiers, consultants, researchers, and environmental and consumer advocacy bodies.

OUR ADVOCACY WORK AT EU LEVEL

- The new organic regulation
- The Common Agricultural Policy and rural development
- GMOs and new genetic engineering techniques
- Research and innovation
- Organic seeds
- Climate change
- Food policies
- Environmental policies
- EU labels
- Organic cosmetics and textile
- Animal welfare and plant healthcare

OUR PRINCIPLES: HEALTH, ECOLOGY, FAIRNESS AND CARE

We unite the organic movement and fight for the adoption of the principles of organic agriculture in European policy-making. Our vision for food and farming is one of a fair, environmentally conscious, healthy and caring system widely adopted in Europe by 2030. Find out all about our organic roadmap towards our vision on www.euorganic2030.bio
